August 24, 2010

Dear Judenite Parents/Guardians,

Greetings!

Our school aims to provide our children, activities that will help them benefit from academic challenges, discover their strengths and prepare them for the pursuit of higher learning. In line with this objective, we accept the invitations of independent institutions that particularly choose us as one of the participating schools in their important mathematical events.

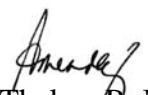

We are pleased to inform you that we are once again given an opportunity to assess our children's mathematical skills and fluency through **The E.nopi Invitational Math Competition 2010**. This competition will be held in Angelicum College located at Cuenco St., Sto. Domingo, Quezon City on November 14, 2010.

The interested participants may get the Entry Form from their math teachers. They may also download the back-to-back form from our website. Please pay the Registration Fee of Php 250.00 to the Cashier and attach the receipt to the form. Please submit the duly accomplished form with 1.5 x 1.5 recent ID picture **on or before August 27, 2010**.

We are looking forward to your favorable response.

Thank you.

Sincerely,

M. Thelma R. Mendez
Math Coordinator
Grade School Department
